The invited guests are the poorest of legacies: children of 100r charwomen and laundrosses who go out to work by the day for the pittance that barely keeps a roof over half orphin little ones left to the generically known as gutter-tirds who would wash I w class of seclety-the gentle poor-men and women who try to be brave in the face of defeat; who deny the presence of the woll that is quawing at their vitals, who go hungry day after day that their little ones may be nourished, who live in cheerless rooms where "misery hides herseit." and who have no warmth but that so feetly supplied by an off stove or lamp. The following letter, one of hundreds received at the office, touchingly illustrates the horoship that even now prevalls, when all the world is in the hap y confusion of Christmas-tide.

for the Editor:

Having for several weeks noticed your letters in the columns of The Evening World I presume to address you. I plead not for myself but for my battles. Thomas, aged five years and an infant of six months. Although I would like them to have a toy for the sake of christmas, I, if I had any choice, would prefer a gift in the shape of clothing, as they are bitterfy destitute. My husband has been out or work, having lost, through no fault of his own, a good position, and although he is possessed of a good clucation, intelligence and energy, he found it impossible to get work of any kind, and during

his long idleness and my sickness I was obliged to part with everything we possessed to procure room and rent. We are in sore distress and almost despair. I inclose the name of business trins who will satisfy you as to our character and truth, &c. I sincerely trust by this time next year that I will be able to do something for your laby Ruth I ree, as I am rather present to act the part of giver than receiver. Trusting you will pardon me for adding my unnappy tale to your already too busy task, I remain respectfully.

There is all the excuse any body should ask.

There is all the excuse any body should ask for doing an unseitish act. M. N.'s tots will Surely the Panama corruptionists and Send a Christmas Denation to the be asked to the entertainment. You can for joy; and perhaps you can assist the discouraged father to find employment. What ever you do, you will be the better

measure of a man's power. A cruel story runs on wheels, and every hand oils the wheels as they run. The wise man may be above his fellow-

The Crocheter's Companion. A hollow ball of sterling silver, compose of hemispheres hinged together, which may be open d like a watchcase; a ring of the same material to encircle the wrist, and a The collar is high and lined with sable. A chain connecting the two, are called the wide cape is attached to the garment, bertha tended to contain a spool of silk on a spindle and is periorated to allow the thread to be unwound. By means of the ring and the chain the lad is suspended from a lady's wrist while she is engaged in lancy work, and the silk is thus protected from contact with illustrated here; these are of cashmere, hand the attire, from tangling and from being temporartly inisiald.

Charlotte Russe.

One quart of good cream, three-quarters of a cup of powdered sugar, one teaspoonful o vanilla, one-half pound of lady fingers, one box of gelatine, one-half gill of sherry (if you use wine.) the geta ine with cold water and le it soak for a half hour. Whip the cream and lay it on a sieve to drain. Line two plain two-quart moulds with the lady fingers. Nov turn the cream into a large basin and place it in a pan of cracked ice; add to the soaked gelatine just enough boiling water to dissolve it. Now add the sugar carefully to the cream, then the vanilla and wine, and last strain in the gelatine. Commence to stir immediately; stir from the sides and bottom of the basin until it begins to thicken, ther pour into the moulds and set away on the ice to harden.

Lemon Fudding, One Crust,

The juice and grated peel of two large emons; whites of four and yolks of seven eggs well beaten; one pound of sugar; ene tablespoonful of wine or brandy, one pist of cream. After all are well mixed, add lemon Make meringue of the remaining three white-One tablespoonful of gelatine improves tits. Set aside to cool. Always serve cold. Canbo used either for a dinner or supper dessert.

Their Walsts.

Miss Ellen Terry's waist is twenty-cith inches in circumference, while Miss Mury Ander-on comes in a good second with twenty-six inches. Mrs. Bernard-Beere and Miss Eastlake possess equally large waists, the average, however, being twenty-thee inches, which is a reasonable and elernt dimension. Miss Kate Vaughan, whose vilst only measures twenty-one inches is said to be the proud possessor of the smallest in he

Leg Cabin Toast.

A touch of fancy, or an unusual daints in serving, will often rouse a child's lag ag appetite. I have found that though be didren in our family are not interested a plate of plain toasted silces of bread, ' ey are always on the qui vive when a og cabin " is brought to the table; and this ! an especially dainty way of serving dry t .es, whether one wishes to eat it from the fit or to crumb it in a bowl of mik.

With a sharp knife, from a firm, somet stale loaf, cut slices lengthwise; that is he long way of the loat. Trim off all or ta Now cut, also lengthwise, the slices ite narrow strips an inch wide. Toast i se unless they are to be broken into mi or dipped in cream as they are caten. Pile cross on a hot plate, log-cabin fashion, our square. Serve hot.

Women Who Do Mending.

Several responses have been sent in 1 be paragraph printed the other day about intlemen's mending. The Brooklyn we an who asked Tue Evening World to assis er in getting this work has received the le rs and probably obtained the employment. n letter has been sent to a woman on 8 syseventh street, this city. Any person desiring to have mending done can write to THE EVENING WORLD and the letters will be for warded.

Women Lawyers.

In the legal profession the American woman is making her way against much opposition. As yet only a limited number of States admit her to the Bar, still seven women have been admitted to practice before the Supreme Court of the United States. Both the Chicago Legal News and the Chicago Late Times are edited by women lawyers, and several legal associations have been formed, including the Equity Club and the Woman's International Bar Association. In went to Montana she found that the ste ute but she secured the repeal of the law ad has ever since been practising with su

Taploca Jelly.

and profit.

Cover one cup of granulated taploca w 18 pint of water, soak it over night, next n raing drain into a farina boller, and if the water has been nearly absorbed add another, salt pint of boiling water; cook until the tapic sis then stir in hastily the well-beaten whit . of two eggs; drain into a mould and stand : . . cold place to harden. If perfectly made tals will turn out keeping the shape of the mo .d; it must be as delicate as gelatine, not rm and stiff. Put a plut of milk into a do ole boiler, beat the yolks of two eggs with ur tablespoonfuls of sugar, moisten a to lespoonful of corn starch in a little cold r L add to the hot milk, cook a moment; add he egg and sugar, cook another moment; ke from the fire, add a tablespoonful of va .lla and turn out to cool : serve the jelly ith
